

## Finger on the Trigger

Asia

I go down fighting - thunder, lightning  
As the final curtain falls  
Although enlightening, the conclusion's frightening  
You have me by the balls

No escape, no hand of fate  
As the end comes into view  
Oblivion calling, no sense stalling  
Now I know it's all because of you

You got your finger on the trigger  
You got your hand upon the gun  
You know this thing is getting bigger  
We have a good thing going on ...

The bullet bitten  
My tombstone's written  
Now you're changing every line

Your aim is true  
Thru cold steel blue  
And you're waiting for the sign

Don't think twice, cold as ice  
Forced to face your fear  
Each tortured minute, no feeling in it  
And now I know it's all because of you

Just where you been, girl  
Black as sin, girl  
With your smokin' 45.

Take it further  
Scream blue murder  
And to hell with 'keep it live'

No regrets, last cigarettes, or 'promise to be true'  
One last kiss, remember this  
Now I know it's all because of you  
We have a good thing going on
