## **Ghost of a Chance**

Hold on tight, Fight it tooth and nail, You are right, You just cannot fail.

Seek to change, Your circumstance, While there's a ghost of a chance.

Ride your luck, Opportunity, What you see, That's your destiny.

Grasp it now, Take your stance, While there's a ghost of a chance.

Plain as day, All is black and white. Stand your ground, You can win the fight.

But don't give up, There's true romance, While there's a ghost of a chance.

Outnumbered now, Face the enemy, Against the odds, Seal your victory.

Seize the day, Raise your lance, While there's a ghost of a chance.
