

# Joe Di Maggio's Glove

Asia

I'm always my own guy, I do what I need to get by  
I believe my way is the only way  
Flattery is a dull blade  
So I won't use that to get my point made  
'Cause you're far too smart, I'm not smart enough  
I never answer to on-one, I always walk, 'cause I can't run  
Hand-to-mouth, and day to day  
But my pride is killing me  
I just can't get where I want to be  
I'm lost, I need someone to show the way

Couldn't see for looking, staring at the sun  
I had no idea of what was to come

All summer it was only you  
You were a gift from above  
Two hearts could only beat as one  
We could not get enough  
I've never been completely lost  
I've never been so in love  
How did my heart become so soft?  
Like Joe DiMaggio's glove

I don't like the telephone  
And I don't much mind if I am alone  
The right place and the right time  
Are here and now  
I live in the moment  
And I don't say things that I never meant  
And I won't promise that which I cannot do

I couldn't see for looking, staring at the sun  
I had no warning of what was to come

All summer it was only you  
Just the sound of your voice  
Two hearts could only beat as one  
I did not have a choice  
I've never been completely lost  
Never been so in love  
How did my heart become so soft?  
Like Joe DiMaggio's glove

I don't know how, I don't know why  
All I know now is that I will never be the same again

All summer it was only you  
You were a gift from above  
Two hearts could only beat as one  
We could not get enough  
I've never been completely lost  
I've never been so in love  
How did my heart become so soft?  
Like Joe DiMaggio's glove
