

## The Smile Has Left Your Eyes

Asia

I saw you standing hand in hand  
And now you come to me the solitary man  
And I know what it is that made us live  
Such ordinary lives  
The where to go the who to see  
No one could sympathize  
The Smile Has Left Your Eyes  
The Smile Has Left Your Eyes

And I've become a rolling stone  
I don't know where to go or what to call my own  
But I can see that black horizon glooming  
ever close to view  
It's over now it's not my fault  
See how this feels for you  
The Smile Has Left Your Eyes  
The Smile Has Left Your Eyes

But I never thought I'd see you  
Standing there with him  
So don't come crawling back to me

Now it's too late you realized  
Now there's no one can sympathize  
Now that the Smile Has Left Your Eyes  
Now it's too late you realized  
Now there's no one can sympathize  
Now it's too late you realized  
Now that the Smile Has Left Your Eyes
