

Burning Fence

Asian Dub Foundation

You're apprehensive bout the local comprehensive
And the schools you can't get into
Change your job sell your house pretend to get a faith
Go to church and pray for a new merc or volvo what's the truth
it's just a new way of lying channel switchin channel flickin t
oo much choice you're veggin out
Don't wanna be a loner or out on your own get in the zone Turn
up the megaphone

Climb on board the mothership revolution the true Universal is
the one solution How long you gonna sit on a burning fence
Don't matter what you're for only what you're against they boug
ht a dream now they can't wake up
Gonna wake you up
Don't need a reason cos no reason.is reason enough They're all
demanding whose side you're on
Who's side I'm on
How many points you need to be a true citizen
Don't wanna choose between a liar and a thief blood red pale bl
ue both pretending to be green so far from home in this home fr
om home
Get out my way Here comes a molotov latte

Climb on board the mothership revolution the true
Universal is the one solution
How long you gonna sit on a burning fence
Don't matter what you're for only what you're against Who's gon
na be the next to rise up and chant
Who's the piggy in the middle now
Who's gonna be the next to rise up and chant Keep on running
Running from the middle ground
Who's gonna be the next to rise up and chant
Riot start in IKEA
Who's gonna be the next to rise up and chant
In the buzzword battleground
Goin nowhere faster now
