

Breathless

Asking Alexandria

Get the fuck away from me

I know that I have done wrong and continue to do so but without remorse

I know that I am on a fast track to the grave and I'm headed there alone

I struggle to find myself this time

Save yourself for a man with a conscience

I fight to find myself this time

Save yourself for a man that isn't me

I spend my days looking through pages

Trying to find a way to get away from me

With love to give that leaves you breathless

Now all I need to find a way back inside my mind

I don't want to leave you breathless

When will you realize

I don't want to leave you breathless

When will you realize

I don't want to leave you breathless

When will you save yourself

Yeah!

I spend my days looking through pages

Trying to find a way to get away from me

With love to give that leaves you breathless

Now all I need to find... a way back inside my mind

I need to find

A way back inside my mind (2x)

This is not the end

This is the end of (3x)

This is not the end

Oh!

Every mistake I've made leaves a scar that burns every day

Yet still I carry on

Without regret

Without remorse

I'm gone

You're better off to walk away

I am corruption, I am sin

Forget my name

Forget my face

Forget my name

Forget my face
