

## Moving On

### Asking Alexandria

A boy of anguish now, he's a man of soul,  
Traded in his misery for the lonely life of the road.  
The years were cruel to him no,  
He won't let them go.  
Lays awake tryna' find the man inside to pack his bags and escape this world.

I've never been so torn up in all of my life,  
I should have seen this coming.  
I've never felt so hopeless,  
Than I do tonight.  
I don't wanna do this anymore, I'm moving on.

He wanted to change the world, to make it all worthwhile.  
So he put his pen to paper and poured out everything inside.  
He's read the scene and unpacked the man that he had become.  
Slowly but surely on the fast track to falling into his grave.

I've never been so torn up in all of my life,  
I should have seen this coming.  
I've never felt so hopeless,  
Than I do tonight.  
I don't wanna do this anymore, I'm moving on.

I can't believe I've come so far in such a time,  
And I'm still fighting on my own.  
If I tried to catch my breath I might never breathe again, so just know this

I've never been so torn up in all of my life, I can't believe I let myself breakdown.

I've never been so torn up in all of my life,  
I should have seen this coming.  
I've never felt so hopeless,  
Than I do tonight.  
I don't wanna do this anymore...

I've never been so torn up in all of my life,  
I should have seen this coming.  
I've never felt so hopeless,  
Than I do tonight.  
No I don't wanna do this anymore, I'm moving on.

A boy of anguish now, he's a man of soul,  
Traded in his misery for the lonely life of the road.
