

Send Me Home

Asking Alexandria

A stranger to most, but everyone knows his name
The city he wakes up in is never the same
It gets hard to count the days with only stars to lead the way
And in his heart of gold he knows this has to change

So send me home
I have lost my way
And I don't even know if we'll make it through today
Take another step, take another breath
I fill my lungs with deepest regrets
And I don't know if I'll make it home again

It gets a little harder day by day
The loneliness is swallowing me
I listen to the silence to hear what it might say
Who will pick me up again?
I need you here, I need a friend
We'll get lost on time that's stolen

So take my hand
And send me home
I have lost my way
And I don't even know if we'll make it through today
Take another step, take another breath
I fill my lungs with deepest regrets
And I don't know if I'll make it home again

Take all that I've got
All I need is one more moment
I just have to end this torment
Take all that I've got
We'll get lost on time that's stolen
Take my hand and lead me home again

Just take my hand

So send me home
I have lost my way
And I don't even know if we'll make it through today
Take another step, take another breath
I fill my lungs with deepest regrets
And I don't know if I'll make it home again
