

Sometimes It Ends

Asking Alexandria

So here we fucking go,
You're going down, you're on your own,
You're on your own!
This hate is endless.
Tonight I think I'll cross the line,
I'll cross the fucking line, I'll cross the fucking line!
This hate is relentless.

Oh, here we go,
Down, down this hole,
I've lost control,
Save me!
Oh, here we go,
Down, down this hole,
I've lost control,
Save me!

Picking up, picking up another life.
Waking up, waking up from all the lies.

I feel so alone,
Sometimes it ends, sometimes you fall,
Crossing out the man that I've become.
I'm standing tall,
Stronger than I ever did before,
Against them all.

I know that you have locked me in your eyes,
And I can't resist it.
The target on your chest is all that I can see.
Fight me now! It's not over.
No, no, no, it's not over!

Pick me up off the ground
Just once more.
So on I go, on I go,
But never alone.

Sometimes it ends, sometimes you fall,
Crossing out the man that I've become.
I'm standing tall,
Stronger than I ever did before,
Against them all.

Now it's my turn to drag you through this hell,
Through this hell!
I won't forgive,
I won't let go of what you've done!
No!

Woke up alone, so sick of this game.
I've spent too many years in this house of pain!
If you can't find the words, read between the lines,
So take it or leave it to me,
So take it or leave it to me from here this time.
