

Undivided

Asking Alexandria

I told you once and I won't say it again
You never meant a thing to me, a means to an end
If we can't change the past then why should we care?
I don't give a fuck if you're here or you're there!
Your God damn beliefs have made you go blind
Your ego, your fame they have poisoned your mind

So take take take all your memories
'Cuz I don't want 'em I don't need 'em
So stay stay stay the hell away from me
The truth is I'm moving on

So take take take all your memories
'Cuz I don't want 'em I don't need 'em
Stay stay stay the hell away from me
I'm moving on

So get the fuck out, fuck out!
You'll take this to your fucking grave
fuck off! fuck off!
I thought you'd never make it out alive

You self righteous, sacrilegious, fucking cunt
Your unintelligent, irrelevant ramblings are falling upon deaf ears
How can you be the voice of a generation when the only voice you listen to is
in your own fucking head?

So take take take all your memories
'Cuz I don't want 'em I don't need 'em
So stay stay stay the hell away from me
The truth is I'm moving on

So take take take all your memories
'Cuz I don't want 'em I don't need 'em
Stay stay stay the hell away from me
I'm moving on

Hell yeah, so we came here to stay and none of you can fucking take this away
Fuck yeah, here's what I have to say; goodbye and so long it's the start of
a new day

As the seconds turn into days
We stand together
We will never be the same
We stand together

So take take take all your memories
'Cuz I don't want 'em I don't need 'em

So stay stay stay the hell away from me
The truth is I'm moving on

As the seconds turn into days
We stand together
We will never be the same
We stand together

Hell yeah, so we came here to stay and none of you can fucking take this away
Fuck yeah, here's what I have to say; goodbye and so long it's the start of
a new day
