

That's When I Love You

Aslyn

When you have to look away
When you don't have much to say
That's when I love you
I love u, just that way
To hear you stumble when you speak
Or see you walk with two left feet
That's when I love you
I love you endlessly
And when you're mad 'cause you lost a game
Forget I'm waiting in the rain
Baby, I'll love you
I'll love you anyway

'Cause here's my promise made tonight
You can count on me for life
'Cause that's when I love you
When nothing you do can change my mind
The more I learn, the more I love
The more my heart can't get enough
That's when I love you
When I love you
No matter what

So when you turn to hide your eyes
'Cause the movie- it made you cry
That's when I love you
I love you
A little more each time
And when you can't quite match your clothes
Or when you laugh at your own jokes
that's when I love you, I love you
More then you'll know
And when you forgot that we had a date
Or that look that you give when you show up late
Baby, I'll love you
I'll love you anyway

So here's my promise made tonight
You can count on me for life
'Cause that's when I love you
When nothing you do can change my mind
The more I learn, the more I love
The more my heart cant get enough
That's when I love you
When I love you
No matter what

Ohh that's when I love you when nothing baby, nothing you do could change my mind
The more I learn, the more I love, the more my heart can't get enough
That's when I love you, when I love you no matter what

Ohhhh no matter what
