Asobi Seksu

You say you'll move on  
You better not be lying  
All the things you find out  
I just find tiring

Our TV's blasting  
Our words dividing  
Like little kids now  
With faces hiding

I don't know what to say  
'Cause we don't have the words  
We'll throw it out, it's empty  
We don't have the words

If there's a reason  
For all this crying  
You let me know  
While you're deciding
