## **Exotic Animal Paradise**

You say you'll move on You better not be lying All the things you find out I just find tiring

Our TV's blasting Our words dividing Like little kids now With faces hiding

I don't know what to say 'Cause we don't have the words We'll throw it out, it's empty We don't have the words

If there's a reason For all this crying You let me know While you're deciding Asobi Seksu
