

Born of suffering
Cursed by the moon
Moonspell creature
Nightmarish look

Jaws of hatred
Blood from his eyes
Scream in his head
Speak them to die

Jaws of hatred
Blood from his eyes
Scream in his head
Speak them to die

Trapped among worlds
In the woods seeking a sign
Staring eyes

Leap of faith
Believer of wolf
Unknown creation
Suffering doomed

Lycon
Silver bullet can stop him now
Lycon
A misery index for things unknown
Lycon
Chained by the lunar light
Lycon
Our blood will flow once more
