please come and take me with you, take me carousel  
let me fly, take me, round and round  
you gave me all I wanted, but now I'm back alive  
I beg you, please please take me, take me carousel

please come and take me with you, take me carousel  
let me fly, take me, round and round  
you gave me all I wanted, but now I'm back alive  
I beg you, please please take me, take me carousel

It was a crazy dream, a true one  
almost too good to be  
and now I want it back again  
back again, for good

please come and take me with you, take me carousel  
let me fly, take me, round and round  
you gave me all I wanted, but now I'm back alive  
I beg you, please please take me, take me carousel
