

All That's Left Is To Say Goodbye

Astrud Gilberto

There's no use to pretend
We have come to the end
All that's left is to say goodbye

If I hold you with lies
It will show in my eyes
All that's left is to say goodbye

So when you go I won't stop you
But I will remember
How deep, how beautiful it was
And all this beauty of love that was our loss
And now leaves me sad
I don't want to deny, don't want to betray
Don't want to forget
Because my love, in my life you have been
Like a day full of sun

So when you go I won't stop you
But I will remember
How deep, how beautiful it was
And all this beauty of love that was our loss
And now leaves me sad
I don't want to deny, don't want to betray
Don't want to forget
Because my love, in my life you have been
Like a day full of sun
