

Fly Me To The Moon

Astrud Gilberto

Fly me to the moon
And let me play among the stars
Let me see what spring is like
on Jupiter and Mars
In other words, hold my hands
In other words, darling kiss me

Fill my heart with song
And let me sing for ever more
You are all I long for All I worship and adore
In other words please be true In other words, I love you

Fill my heart with song
And let me sing for ever more
You are all I long for
All I worship and adore
In other words please be true In other words, I love you

In other words,
hold my hands
In other words,
darling kiss me

All I worship and adore
In other words please be true
In other words, I love you
