

# I Will Wait For You

Astrud Gilberto

If it takes forever, I will wait for you  
For a thousand summers, I will wait for you  
'til you're back beside me, 'til I'm holding you  
'til I hear you sigh here in my arms

Any where you run to, any where you go  
Every day remember, how I love you so  
In your heart believe what in my heart I know  
that forever more I'll wait for you

The clock will tick away the hours one by one  
And then the time will come when all the waiting's done  
the time when you return and find me here and run  
Straight to my waiting arms

If it takes forever, I will wait for you  
For a thousand summers, I will wait for you  
'til you're here beside me, 'til I'm touching you  
and forever more cherish your love
