The Shadow Of Your Smile

Astrud Gilberto

The shadow of your smile When you are gone Will color all my dreams And light the dawn

Look into my eyes, my love, and see All the lovely things, you are, to me

Our wistful little star
It was far, too high
A teardrop kissed your lips
And so, so did I

Now when I remember spring
All the joy that love can bring
I will be remembering
The shadow of your smile

Do do do...

La la la...

La la la...

Now when I remember spring

All the joy that love can bring

I will be remembering

The shadow of your smile

Your smile...your smile
