

Drum And Bass Line

Aswad

In a different style
Dub plate spinning all the while
What the people wanting
Dub plate till a morning

That's what they all are shouting for
Can you hear them
Seems they just can't refuse it
Just go to bounce and use it

Seems they were born with rhythm within
And you couldn't give up now
You know you couldn't give up now
Couldn't give up now

What you do dancing to the rhythm
Of the drum and bass line
To the question that you're asking
It's clear to see my friend

Time before when we use music
To cool our very soul
And when slave master beat I with the whip
And he made I jump and twist

We use that music to cool us down I say
You couldn't give up now
You know you couldn't give up now
Couldn't give up now

What you do dancing to the rhythm
Of the drum and bass line
To the question that you're asking
It's clear to see my friend

Time before when we use music
To cool our very soul
And when slave master beat I with the whip
And he made I jump and twist

We use that music to cool us down I say
You couldn't give up now
You know you couldn't give up now
Couldn't give up now

What you do dancing to the rhythm
Of the drum and bass line
