Necessity,
The mother of I and I inventions
Are using what Jah gave us
And there was plenty
In mother Africa
Government society
Colonialise the black nation
Government society
Colonialise the black nation
Left us crying

Natural progression
Natural progression

Now you confuse I early tuition
Hold I customs then you call it
Religion
Inventing military weapons to gain
Supremacy - over I
Inventing military weapons to gain
Supremacy

They want to execute political systems
- on I and I
They want to execute political systems
- on I and I
They want to execute political systems
- on I and I
They want to execute political systems
- on I and I
