At the Drive-In

this is forgiven  
if the uniform fits  
postponed  
at the first showing  
this is the tension mold  
of frozen icicles  
and it feels like it's snowing  
you speak in tongues  
tremors that warn us of ourselves

born in hearts  
etched in cold  
at the first showing  
(walk away)

nothing bleeds the same  
my travel expenses paid  
postponed  
at the first showing  
this dance is out of rhythm  
we trip on excess steps  
postponed  
at the first showing  
you speak in tongues  
tremors that warn us of ourselves

born in hearts  
etched in cold  
swingsets pay  
the playground toll

tremors that hold us  
tremors that warn us  
nothing bleeds like
