

## Doorman's Placebo

At the Drive-In

Chances are you've heard this  
But your headphones mute your equilibrium  
Hearing tests the mattress hit the mistress fooled  
But nothing ever felt this good

Wake you up and shake you  
But your motor skills still speak in slurs

Court jester don't kill the humor (2x)

Chances are you've curved this  
The volume of the speakers must be proud

Don't change your tune  
A princess' work is never done  
In the bed and breakfast beck and call

Wake you up and shake you  
But your motor skills still speak in slurs

Court jester don't kill the humor (2x)  
Eeyor chase your own (2x)  
Court jester don't kill the humor (2x)

Brown shirt italian cut  
Goose step and call our bluff  
Will your ears ring the tetinitus chorus goes  
Will the decibels work as bifocals  
(2x)

Chances are you've heard this  
Chances are you've curved this again  
Don't change your tune  
In hearing tests again

Court jester don't kill the humor (3x)  
Eeyor chase your own (2x)  
Court jester don't kill the humor

Brown shirt italian cut  
Goose step and call our bluff  
Will your ears ring the tetinitus chorus goes  
Will the decibels work as bifocals  
(2x)
