

## Crucified

At Vance

Is it any wonder  
The spell you took me under  
I have been a slave to your touch  
But you stretched the borders too much

Can't you see that I'm through with you  
There is nothing left to do  
Too many words that have been said  
Don't you realize it's too late

Hate was what you've seed  
War was on your mind

Stone cold  
You didn't have no mercy with me  
Can't you see that I'm boned

I am here and you are there  
All alone but that's my share  
This is what you've done to me  
You have crucified my soul

Now that it's all over  
And the truth has been told  
What you gonna do with me  
You've traded our love for gold

All the glamour that you own  
Ain't worth nothing when you're alone  
Is this really where you wanted to be  
Here's the truth for you to see

Hate was what you've seed  
War was on your mind

Stone cold  
You didn't have no mercy with me  
Can't you see that I'm boned

I am here and you are there  
All alone but that's my share  
This is what you've done to me  
You have crucified my soul
