I Surrender

I surrender to your heart babe Do anything that you want me to do Please tender, Yeah, I'm in your hands girl This is a feeling i never knew You know i tried to make it on my own That's not the way it was meant to be Spend my time waiting by the phone Oh, darling come back to me

I surrender, i surrender I'm giving up the role of pretender Oh be tender, girl be tender Can't you feel the love that i send her I surrender

I Remember, seems like a liftime Can't believe it's a matter of days Since you left me, oh, i'm near to heartbreak I want you so bad don't turn away What does it take to stay by my side You know i'll do what you want me to Don't take away this feeling inside I'm still in love with you

I surrender, i surrender I'm giving up the role of pretender I remember, i remember Can't you feel the love that i send her I surrender...
