

# Soldier Of Time

At Vance

Closing your eyes  
to discover your mind  
raisin your weapons  
against the enemys you'll find

crossing your sword  
in glorious fights  
don't waste a word  
as you fight with the knights

graceful they stand  
honored they fall  
heroes of their land  
can't you their call

(from the ) soldiers of time

fightin a battle  
with all of the greats  
wounded you fall  
but it's never too late

stand up and fight  
and the victory be'll yours  
wrong won't be right  
you could be opening the doors

graceful you stand  
you'll never fail  
hereoe of your land  
you've got to survive

You've been a soldier of time  
One in a million  
Crossing the line  
Your star will always shine  
Thruout the centuries  
To light up the sky

You've been a soldier of time....
