The Winner Takes It All

I don't wanna talk about the things We've gone through Though it's hurting me now it's history I've played all my cards and that's what You've done too Nothing more to say no more ace to play

The winner takes it all The looser standing small Beside the victory That's her destiny

I was in your arms thinking I belonged there I figured it made sense building me a fence Building me a home thinking I'd be strong there But I was a fool playing by the rules

The gods made throw a dice their minds As cold as ice And someone way down here looses Someone dear

The winner takes it all The looser has to fall It's simple and it's plain Why should I complain

But tell me does she kiss like i used to kiss you? Does it feel the same when she calls your name Somewhere deep inside you must know I miss you But what can I say rules must be obeyed

The judges will decide the like of me abide Spectators of the show always staying low The game is on again a lover or a friend A big thing or a small the winners takes it all

I don't wanna talk if it makes you feel sad And I understand you've come to shake my hand I apologize if it makes you feel bad Seeing me so tense no self-confidence But you see The winner takes it all The winner takes it all... At Vance
