

## Things I Never Needed

At Vance

Take a long hard look at my face  
Take away the thing I can't replace  
Take my heart, go on take it away  
I've got nothing to say

Take away this sense of regret  
Take the things I need to forget  
Take the mistakes I haven't made yet  
They're all I have left

I don't want to be the one  
Who lets you down  
All I did was run myself around  
I wish I could have seen  
Through your eyes  
Maybe the I would have realized  
I'm the only one who's bleeding  
For the things I never needed  
The things I never needed

Take a good long look at yourself  
Take the weight off everyone else  
Take the hardest blow that was dealt  
It's all on your shoulders
