

Fog weaves  
anthills of steps  
in plushy labyrinths  
of swallowed palaces  
...swings of desire are looking for the sea...  
Litanies and Laments  
in the mazes dance  
Litanies and Laments  
in the mazes dance

Fog is moving  
to disguise snakes  
the Truth answers  
a sugar garden  
...swings of desire are looking for the sea...  
Litanies and Laments  
in the mazes dance
