

A Soundtrack Of This Early Morning

Ataris

1. All this useless beauty is haunting to my heart
Dim the headlights, lay beneath this Starry sea of night

X: Oh, sounds of silence so enchanting, all embracing
So seductive and so pure

R1: Oh, I'm so sensitive, alright
Oh Beauty is touched by the light

2. Stare into lights on this motorway
Approaching in the night
I often wonder what it'd feel like
A slight jump to the right Everything goes blind

R2: Oh, I'm so sensitive, alright
Oh Sadness so touched by the light

*: Oh, sound of sadness, beautiful sadness whispering softly
And this final portion of night, it is ours

R1: Oh, I'm so sensitive...
