

Alone in Santa Cruz

Ataris

Did I ever tell you that I really love you and I think about you all day?

I really miss you and wish I could kiss you, but why are you so far away?

Since you've been gone, I've thought over and over about you inside my head and where I went wrong, where I went wrong.

Every day, I've been thinking a lot about all of the things you'd say since I went away, since I went away...

I guess I could call you and ask you "How are you?" but I really don't have much to say...

I sit all alone and I stare at the phone and I hope that you're doing ok.
