

Clara

Ataris

I saw you crying as I turned away.

Did I see your face like it wasn't there?

And I know I was wrong... yeah, I knew it all along, but I didn't care about you.

Clara where are you today?

Did you make the same mistakes that I made, a million times before I met you?

Did you go, did you run?

Did you think of your son?

Do you know you're not the only one that tried to make a piece of coal into a diamond?

Yeah.
