

**Clara**

**Ataris**

I saw you crying as I turned away.  
Did I see your face like it wasn't there?  
And I know I was wrong... yeah, I knew it all along, but I didn't care about you.  
Clara where are you today?  
Did you make the same mistakes that I made, a million times before I met you?  
Did you go, did you run?  
Did you think of your son?  
Do you know you're not the only one that tried to make a piece of coal into a diamond?  
Yeah.
