

How I Spent My Summer Vacation

Ataris

Got out of bed today.
I'm in love, what can I say?
I'm really happy to be
somewhere with someone who makes me happy
I took the bus downtown.
All day long I walked around.
I looked at all the sights
And thought about how lucky I am now.

I was sick of being down
So I gave it all away.
2000 miles from all I know.
So much better off today.

I'm still waiting for the world
To come crashing down ahead.
And I'm still waiting for someone
to call me up and tell me "You're dead."
Sometimes I wonder what was going through your head.
Hey, I don't know,
But I won't go there again.

You make me smile so wide
When I look into your eyes
And when you're not around
You know you're somewhere stuck inside my mind.

I was sick of being down
So I gave it all away.
2000 miles from all I know.
So much better off today.

And I'm still waiting for the world
To come crashing down ahead.
And I'm still waiting for someone
to call me up and tell me "You're dead."
Sometimes I wonder what was going through your head.

Hey I don't know,
But, I won't go there again
No I won't go there again.
