

Perfectly Happy

Ataris

Won't be another statistic... Won't be a minority...

I'll achieve every goal I have... there's not a thing that I can't be! Just as long as I am happy, that's all that matters to me.

I'll walk away from this place on that unhappy day that I have to follow rules, this so-

called book you go by was written for a fool!

Maybe now you understand life from my point of view, I've got my head on straight and have no urge to be like you!

Oh sure I strive for a better life.

But, is that so fucking wrong?

Change in my pocket... girl by my side... perfectly happy.
