

The Saddest Song

Ataris

Only two more days, until your birthday
Yesterday was mine
You'll be turning five I know what it's like, growing up without
your father in your life

So I pretend, I'm doing all I can
And I hope someday you'll find it in your heart
To understand
Why I'm not around
And forgive me for not being in your life

I remember waiting
For you to come
Remember waiting
For you to call
Remember waiting there to find nothing at all
I remember waiting
For you to come
Remember waiting
For you to call
Waiting there to find nothing at all

Maybe someday
you really get to know me
not just the letters read to you
I pray I get the chance
To make it up to you
We got a lot of catching up to do
