Welcome The Night

 Can we understand life and live it at the same time Where is this purpose you speak of? I'll be the background of this photograph The soundtrack to this night and we are fading out before ou r eyes
R: Close your eyes and welcome in the night (2x)
In heaven so wonderful why are we oh so afraid of dying youn g We are dying young We are the patterns and the shapes The patchwork from the window on this place we are alone alone.

The patchwork from the window on this place we are alone, al one, alone
