

Feel You Like A River

ATB

I can feel you across the miles in my body
Almost physical, spiritual
Like there was no separation
Like you were right beside me, like a river

I can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never dies

Remember the bridge we crossed out over the water
With the sun streaming in through the leaves
We can keep it alive
Was just energy

I can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never dies

And I feel, I feel, I feel you like a river
And I feel, I feel, I feel you like a river

I can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never dies

And I feel, I feel, I feel you like a river
And I feel, I feel, I feel you like a river
And I feel, I feel, I feel you like a river
