

Heart of Stone

ATB

Maybe we were better off, baby
Lately this is making me crazy
I never see you like I saw you then
Distorted memory
Of the day we met
And maybe we were better off, baby

But when the sun is going down
And the fire is burning out
I lose a little bit
A little bit of myself
You can't repair what you can't see
I can't revive if I can't breathe
But I lose a little bit
A little bit of myself

I don't have a heart of stone
And I don't wanna let you go
I know you think that I'm so cold
But I don't have a heart of stone

Maybe you'll be better off, baby
Lately you've been acting so crazy
I'll never get it if you never said it
I'll never know it if you never show it
And maybe you'll be better off, baby

You can't repair what you can't see
I can't revive if I can't breathe
But I lose a little bit, a little bit of myself

I don't have a heart of stone
And I don't wanna let you go
I know you think that I'm so cold
But I don't have a heart of stone
