Love Will Find You

I believe it's all inside you All the answers Strip it down and see the light come Through the crowd I believe it takes a moment Just to know it Listen to the wind Let go of the fear Let go of everything Let go of it's realm Love will find you There you go, you're down again Disbeliever Hoping for a way to get through Desire Everything in life is shown you It's so easy Listen to the wind Let go of the fear Let go of everything Let go of it's realm Love will find you Let go of the fear Let go of everything Let go of it's realm Love will find you I believe it's all inside you All the answers Strip it down and see the light come Through the crowd I believe it takes a moment Just to know it Listen to the wind Let go of the fear Let go of everything Let go of it's realm Love will find you Let go of the fear Let go of everything Let go of it's realm Love will find you Love Let go Let go Let go Let go Let go
