

Now or Never

ATB

I'm wide awake and I couldn't care less
What people say and my heart's no longer under arrest
Smashed cell-phone, I've got my instincts
I had my flashback but I can handle it

Just give it up, give it up
Shout it out, shout it out
Let the weight of the world go down, down, down

'Cause now or never
I will speak my mind (give it up, give it up)
'Cause now or never
Is the time of our lives

'Cause now or never
Is the time of our lives

Ain't out of words but I needed to be quite
To see my thoughts in a whole new different light
You might blame me, you can't change me
Welcome flashbacks
Well I can handle it

Just give it up, give it up
Shout it out, shout it out
Let the weight of the world go down, down, down

'Cause now or never
I will speak my mind (give it up, give it up)
'Cause now or never
Is the time of our lives

'Cause now or never
Is the time of our lives
