

# Raging Bull

ATB

I've been beat, I've been down  
Taking shots for the crown  
I've been down  
I've got the marks and all the proof  
This face couldn't be anymore bruised  
Anymore bruised

I'd rather be a lover, than be a raging, raging bull  
I'd rather be a lover, than be a raging bull  
I'd rather be a lover, than be a raging, raging bull  
I'd rather be a lover, than be a raging bull  
Than be a raging bull

Gloves are off, towels in  
Long before we begin  
We begin  
And all the odds are in my hands  
I'm expected to fall on their command  
But I'd rather stand

I'd rather be a lover, than be a raging, raging bull  
I'd rather be a lover, than be a raging bull  
I'd rather be a lover, than be a raging, raging bull  
I'd rather be a lover, than be a raging bull

I'd rather be a lover, than be a raging, raging bull  
I'd rather be a lover, than be a raging bull  
I'd rather be a lover, than be a raging, raging bull  
I'd rather be a lover, than be a raging bull  
Lover, I'd rather be a  
Lover, I'd rather be a lover, than be a raging bull
