Remember

I can feel you across the miles of my body Almost physical, spiritual Like there is no separation -Like you were right beside me like a river

I can feel forever in my mind I can always reach for you inside We can stay together in our minds Feel you like a river, never die

Remember the bridge we crossed? Sun streaming out through the leaves

Just energy

I can feel forever in my mind I can always reach for you inside We can stay together in our minds Feel you like a river, never die

And I feel you, feel you, feel you like a river

And I feel you, feel you, feel you like a river

I can feel forever in my mind I can always reach for you inside We can stay together in our minds Feel you like a river, never die

Ohh, ohh And I feel you, feel you, feel you like a river

Ohh, ohh And I feel you, feel you, feel you like a river
