

## What About Us

ATB

As a matter of fact,  
There`s no turning back  
Though I can`t deny,  
I still want you back  
No confidence, just hide and seek  
Your weapon`s blood, is security

What about promises,  
And what about the days I`m missing  
What about, what about, what about us  
What about the time of our lives  
What about the things that you had  
What about, what about, what about us

I`m waiting for you ... (4x)

I`m waiting  
It`s time to let go

I`m waiting for you  
What about, what about, what about us ... (2x)

As a matter of fact,  
There`s no turning back  
Though I can`t deny,  
I still want you back  
No confidence, just hide and seek  
Your weapon`s blood, is security  
What about promises,  
And what about the days I`m missing  
What about, what about, what about us
