

## The Keeper

Athena

There's no time to explain  
why the flower's fading.  
It just loses its days  
walking in a drop of water.

Forever shines a tear that's falling  
taking you down to empty words,  
I wonder why my mind is stolen.

Oooh, never on my way  
Oooh, never on my way.

I feel your soul your pain,  
I feel the winding violence of the storm.

Forever shines a tear that's falling  
taking you down to empty words  
I wonder why my mind is stolen.

Oooh, never on my way  
Oooh, never on my way.

Follow your heart now and fly high  
with golden wings,  
never the keeper of silence  
will believe in my dreams.  
Dust has its fair share of my life  
drowning beats of time.

Always beside me she lives again.

Oooh, never on my way  
Oooh, never on my way.
