

## Damage

Athenaeum

Darling, I'm sorry I never let anyone talk to you  
And please don't be angry  
If you don't grow up like you wanted to

This is the damage that two can do

24 hours a day keep turning but I'm not sorry  
24 hours of pain and hurting but I'm not sorry

But if you could see what you do  
If you knew what you put me through  
You'd see the damage that two can do  
Whenever they're through

24 hours a day keep turning but I'm not worried  
24 hours of pain and hurting but I'm not worried

This is the damage that two can do

24 hours a day keep turning but I'm not angry  
24 hours of pain and hurting but I'm not angry

This is the damage that two can do
