

## On My Mind

Athenaeum

I don't know what to  
Think about it  
It's just something that's  
Been on my mind  
If the mood ain't right  
You might say goodnight  
Leave me here in this shallow bedroom  
You take a little more than I can find  
It all comes down to change my mind  
And every word you say makes me feel so small  
I just don't understand at all  
I don't know what you  
See inside me  
I've been lucky so  
I can't complain  
If the mood is right  
You might stay the night  
Lead me into my humble bedroom  
You took a little more than I could give  
From all the life I've had to live  
And every word you say makes me feel at home  
I just don't want to be alone  
You take a little more than I can find  
It all comes down change my mind  
And every word you say makes me feel so small  
I just don't remember it all
