

# The Awkward Goodbye

Athlete

My heart is a stone  
You don't want to go there  
But I don't mind if you try

If you should go  
I'll be a soldier  
But I can't fight without you

And outside love moves on  
To an imaginary world  
Where we both belong  
In an imaginary world

My heart is a stone  
You don't want to go there  
But I don't mind if you try

We studied the cold  
Yeah we made friends with it  
And it brought us back  
Our bodies intact

And no one knows how I love you  
No one comes even close  
And sunlight runs through my veins for you

And outside love moves on  
To an imaginary world  
Where we both belong  
In an imaginary world

And no one knows how I love you  
No one comes even close  
And sunlight runs through my veins for you

And no one knows how I love you  
No one comes even close  
And sunlight runs through my veins for you

I put my hands up  
'Cause this is so obvious  
That look in your eye  
Of an awkward goodbye
