You are loved and you know you are
Yeah you know you know you know you are
And you know you know you know you are
You'll endure and you know you will
Yeah you know you know you know you will
And you know you know you know you will

But you can't count it on your fingers cos there's more than yo
u think
You can't use your head to figure cos there's much too much
For our little minds to deal with
So lets get it up
You will reap and you know you will
Yeah you know you know you know you will
And you know you know you know you will

But please don't every try to
Count it on your fingers cos there's more than you think
You can't use your head to figure cos there's much too much
For our little minds to deal with so lets get it up

But you can't count it on your fingers cos there's more than yo
