

Always

Atlantic Starr

Girl you are to me, all that a woman should be
And I dedicate my life to you always
The love like yours is grand
It must have been sent from up above
And I know you'll stay this way, for always

And we both know, that our love will grow
And forever it will be you and me, hey
Ooh, your life is sun chasing all the rain away
When you come around you bring brighter day
You're the perfect one for me and you forever we'll be
And I will love you so for always

Come with me my sweet let's go make a family
And they will bring us joy, for always
Oh boy, I love your soul
I can't find enough ways to let you know
But you can be sure of course, for always

And we both know, that our love will grow
And forever it will be you and me, hey
Ooh, your life is sun chasing all the rain away
When you come around you bring brighter day
You're the perfect one for me and you forever we'll be
And I will love you so for always

Hey, ooh you're like the sun chasing all of the rain away
When you come around you bring brighter days
You're the perfect one for me and you forever we'll be
And I will love you so for always
Ooh, I will love you so for always, ooh
